SHB30516 Certificate III in Barbering

Course Brochure

Introduction

Creative Edge Training is a Registered Training Organisation (RTO number 41497) registered with the Australian Skills Quality Authority. Creative Edge Training is proud to offer the SHB30516 Certificate III in Barbering

This qualification reflects the role of barbers who use a range of well-developed sales, consultation and technical skills and knowledge to provide a broad range of barbering services to clients. They use discretion and judgement to provide client services and take responsibility for the outcomes of their own work.

This comprehensive course provides you with the skills and qualification to call yourself a Barber. This Certificate III in Barbering covers everything the industry requires: general grooming, precision cutting, clipper skills including tracks and carving, shaving heads and faces and colouring the hair.

Who is responsible for your training?

Creative Edge Training is responsible under the National Vocational Education and Training Regulator Act 2011 for the quality of the training and assessment being delivered in this course and for the issuance of all AQF certificates.

Units of Competency

The SHB30516 comprises 26 units of competency and is designed to be flexible to meet the learner's needs. Creative Edge Training have organised these units of competency into relevant clusters relating to shared skills and knowledge or shared work tasks. This results in an efficient delivery of training and assessment and a structure that is very logical for learners.

To be issued the qualification SHB30516 a learner must be assessed as competent in 26 units of competency. 21 core units plus a total of 5 elective units. Creative Edge Training have selected the elective units of competency within this course and have chosen these based on providing the learner a broad set of skills. The selected units of competency are also supported by the learning content within the prescribed text. The selection of these units of competency and the course structure has been confirmed through industry engagement undertaken by Creative Edge Training.

Apprenticeship Program outline

At Creative Edge Training we customise training to inspire teams to develop quality skills producing a stronger more professionally advanced team.

We provide personalised education to individual needs for both apprentices and Barber shops with a program designed to exceed expectations and are proud to be at the forefront of Education offering a wide range of flexible delivery.

Our claim to have the best delivery program for Barbers is backed by our practical focused approach along with the communication and support of our Industry current team of educators and our employer engagement.

Our Training is provided in the workplace and / or in our Academy with the addition of fully subsidised workshops for skills trained in the qualification.

This style of education is customised to your Organisation and fully supported.

with a team of quality educators. Students can also attend our Academy at any of our locations offered.

The course is competency-based qualification and expected to take 3 Years full-time or up to 6 years part-time in an Apprenticeship.

The exception applies if applicants have achieved competence prior to commencement or apply for RPL. This information will be outlined in the Students Training plan issued upon commencement with any credit transfers applied and time credit from the apprenticeship board for prior Industry experience.

Visits by Creative Edge Training trainers to the students' workplace will be undertaken once per month with additional training in our practical Bootcamps/workshops.

The primary purpose of workplace visits is to deliver skills and undertake assessment through collection of workplace evidence. The course units (clusters) are sequenced in a way that allows a logical progression. Participants will be provided with professionally presented reference material to assist them in developing their knowledge of the subject.

Expected Duration – 3 years full-time – Up to 6 years part time.

Assessment requirements

The assessment is conducted using a combination of realistic workplace tasks, projects, knowledge tests and response to case studies. The following provides a brief explanation of the assessment methods that are to be applied:

Demonstration / Practical observations. The student is required to demonstrate a range of skills whilst being observed by, or interacting with, the assessor. These activities will be clearly explained and always relate to duties relevant to the workplace. These activities allow the assessor to observe the student apply their knowledge and skills during practical activity.

Written Report / Case Study / Assignments. The student is required to produce a range of written records or reports based on real workplace scenarios or based on a case study that is provided by the assessor.

Project. The student is required to undertake a range of projects in the context of his or her own workplace or on a case study that is provided by the assessor. A project will require the creation of various workplace documents (reports, memos, etc).

Knowledge Test. The student is required to undertake a number of written knowledge tests over the course of his or her study. These tests will be provided to the student by the assessor at an arranged time and the student will be required to individually complete the test. The student may research their answers from the course training materials and notes as well as relevant workplace references.

Entry requirements

There are no specified entry requirements for this qualification.

Please note. Creative Edge Training will engage with persons expressing interest in enrolment to discuss their language, literacy and numeracy skills. Creative Edge Training can provide additional learning support to students who require basic assistance. For students who have more fundamental support needs, Creative Edge Training can refer these students to a specialist language, literacy and numeracy development provider who can assist students to improve their language, literacy and numeracy skills to enable them to suitably commence the course.

Recognition of Prior Learning

Applicants can apply for recognition of their existing skills and knowledge that are relevant to the units of competency within the program. These skills and knowledge may have been obtained through workplace training or experience and may reduce the number of units required to be completed during the program. Students are encouraged to notify Creative Edge Training of their interest or intention to apply for RPL prior to their enrolment.

We will provide you a pre-training review questionnaire that gathers information about your prior experience. This information is then used to determine the best pathway for you to achieve competency.

Student Information

Detailed student information is available within our Student Handbook which is supplied with the enrolment package. This booklet contains important information about a student's rights and obligations such as their right to privacy, a safe training environment and the right to complain or appeal an assessment decision. It is important that persons applying for enrolment have had an opportunity to review this information first. Please contact us and we can send this information to you straight away.
